

Intro to Edmodo

How to...

- Get an Edmodo account
 - Go to **Edmodo.com** (much easier on a computer than an iPad)
 - Click on **Teacher**
 - Choose a **Username** and **Password** (4 characters or more)
- Set up a class
 - Click **Create** on the left next to **Groups**
 - Type a name for your class. (Many people set up separate groups for each period.)
 - Choose the grade and subject area
- Get students to join
 - Give students the **group code** that appears on the right of that group
 - Students go to **Edmodo.com** and click **Student**
 - After entering the group code (all lowercase for letters), they choose a username and password that are easy to remember.
- Do a poll
 - Click **Poll**.
 - Type a question.
 - Type possible answers.
- Post an Educreations lesson
 - First go to **Educreations** on your iPad. Click on the lesson to play it. Tap it.
 - Click the sideways 8 at the top of the screen.
 - Choose **Copy Lesson Link**.
 - Sign into **Edmodo.com**.
 - Type a **note**.
 - Click **Link**.
 - Tap inside the box, and click **Paste**. Your link will appear.
 - Tap inside the box that says **Title**, and **wait**. Your title will appear.
 - Click **Attach**
 - Type class(es) you want to send it to, and click **Send**.
