Mr. Braitto's Algebra Syllabus

Dear Students and Parents,

I would like to welcome you to my math class. The success of **every** student is very important to me. I am confident that together we will have a successful year. In order to maintain a classroom environment conducive to success, I have the following expectations for student behavior:

- 1) Students will be in their seats, prepared to learn when class begins.
- 2) Students will respect their classmates, teacher and school supplies.
- 3) Students will use class time effectively.
- 4) Students will take responsibility for their learning and **ASK QUESTIONS!!**
- 5) Students will take all opportunities provided to ensure that they are successful.

If a student does not follow these guidelines then they can expect:

- 1) A verbal warning.
- 2) Parent phone call.
- 3) Office intervention.
- 4) Mandatory parent conference.

If a student shows a high level of social and/or academic responsibility they can expect:

- 1) Parent phone call. (i.e. "your son/daughter is doing great...")
- 2) Involvement in school sponsored field trips.
- 3) Achievement awards.
- 4) School rewards.
